EXPERIENCE

Ultranova Records

Record Label and Artist Community 2020 - 2021

Worked as an event organizer and later as an administrator for a community of artists and musicians of professional level.

Galaxy's Edge

Discord Server

2021 - Present Day

Served as the moderator and organizer in a community of people from various ethnic backgrounds. Additionally worked actively on automating processes and building bots dedicated to the server.

Gökkuşağı Stem Robotics & Lego Club

İstanbul, Türkiye

2022 - 2023

Worked as the leader of a stem robotics and Lego club encouraging peers to join in and bring out their creative minds while also fostering the benefits of teamwork, coordination, and leadership.

Yıldız Teknik Üniversitesi Model United Nations

İstanbul, Türkiye

2024

Represented as the delegate of Colombia for H-WHO committee in YTUMUN and received an outstanding **Honorable Delegate** award.

Youth Volunteer at Istanbul&I

İstanbul, Türkiye

2023-Present Day

Worked as a resilient volunteer at Istanbul&I on a weekly basis proving that age isn't a factor that determines willpower.

EXPERIENCE

IT Officer at Istanbul&I İstanbul, Türkiye 2024-Present Day

Worked as the Junior IT Officer for Istanbul&I managing the data sheets and volunteer tracking systems with guidance of the Coordinator.

Gökkuşığı Koleji Hack Club İstanbul, Türkiye 2024 - Present Day

Created a welcoming and engaging environment to introduce beginners to coding and foster a passion for technology. Directed multiple projects, including the development of portfolio websites, PCB designs, and various software features, ensuring collaboration and skill-building within the team.

EDUCATION

Gökkuşığı Eğitim Kurumları

Cambridge International General Certificate of Secondary Education
2021-2023

Gökkuşığı Eğitim Kurumları (IB)

International Baccalaureate (Junior Year)
2023-2024

EXTRA-CURRICULAR ACTIVITIES

Multiple Times Debate Team Leader

Improved public speaking and critical thinking skills by participating and leading in inter-school tournaments.

Volleyball Team Libero

Competed in interschool tournaments as the teams tank, the libero, fostering teamwork and resilience.

Hack Club (Arcade, High Seas & other YSWS)

Collaborated on team-based coding projects, including a lab equipment tracker for my school, enhancing programming and problem-solving abilities.
